AT Word Family Pocket Chart

Included in this activity are:

Colored Pocket Chart onsets- m, f, c, h, r, & b

Pocket Chart rimes- at (6)

Colored Pocket Chart-at Pictures-bat, cat, fat, hat, mat, & rat

Print onto cardstock and laminate for durability. Cut apart onsets, rimes, and pictures. If you do not have a pocket chart, any workspace (such as a floor) will work just as well.

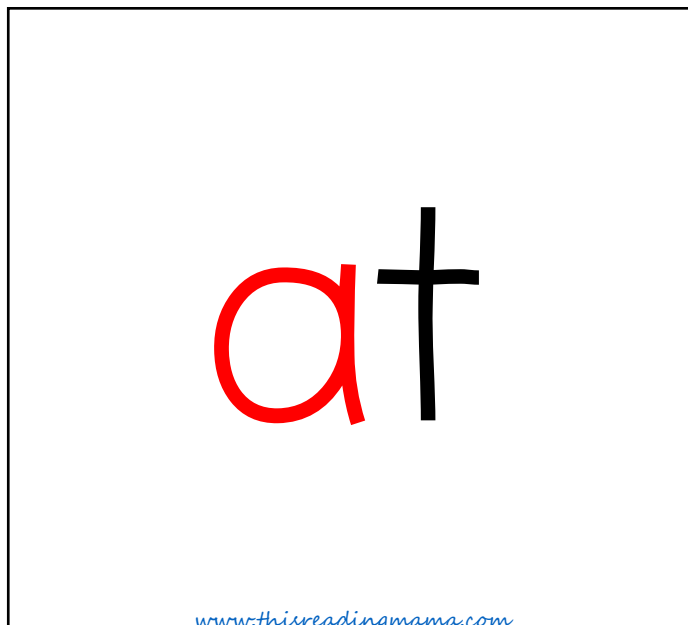

This activity can be done several ways. Here are two suggestions:

PICTURES FIRST, THEN WORDS (easier)

- *Place one -at picture onto the pocket chart. (cat)
- *Say the name of the picture like this c-at.
- *Help your child find the onset (c) and rime (at) that matches
- *Place it beside the picture and read the word together

WORDS FIRST, THEN PICTURES (more difficult)

- *Place one onset (c) and one rime (at) in the pocket chart
- *Read the word like this c-at.
- *Help your child identify the word and find the picture that matches.
- *Place it beside the word and read the word together.

AT Word Puzzles

Print pictures off onto cardstock and laminate for durability. Cut out on the dotted lines to create a 3-piece puzzle for each word.

Create three workspaces for the puzzle pieces. (We used the floor for this activity.)

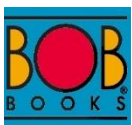

1. Initial letters

2. Middle letters

3. Final letters

*Help your child locate the initial, middle, and final letters that create an -at word. The pictures will match up to provide extra support.

*Once each puzzle is complete, help your child read the word like this: /p/-/a/-/t/ (with a space in between each letter sound), then blend the sounds quicker: *pat*.

Roll a Word

For use with education cubes. If you do not have education cubes, you can purchase them at www.amazon.com (they are called photo stacking blocks), make your own cubes with priority mail boxes, or adapt this activity without use of the cubes.

To Prep:

- Print onto cardstock for durability (you can also laminate inserts, but it's not necessary).
- Place all the onset cards (blue) into one cube and the rime inserts (red) in another cube.

To Play:

- The student rolls the onset cube, then rolls the rime cube.
- Slide the cubes side-by-side to "spell" each word.
- Read each word made: c-at, cat or p-ad, pad.
- As an extension, the student can use the Recording Sheet, (pg. 5 of download) to write the rolled words. Directions are on the recording sheet for making real or silly words.

Directions:

Cut apart papers from pg. 2 and 3 of download. Once papers are stapled into place, the student writes 6 different onsets (suggestions on bottom of pg. 2, such as *r*). Once the *at* is added, the student draws a picture that corresponds with the new word (*rat*) on the stapled paper on the right.

After all the words and pictures are finished, ask the student to flip through the chart and match the words to their pictures.

Onsets could include, but are not limited to: b, c, f, h, m, p, r, s, or v
